

10 TIPS FOR GUESTS

*Prepare Your Guests
For Winter Success*

Please share with your guests and tenants for optimal winter mountain experience:

- **Always check the weather forecast and road conditions before you travel.**
- **A 4x4 or all-wheel drive car with snow tires is critical.**
- **Carry chains and emergency supplies in your car always.**
- **Park your car in the garage or pull your car into your driveway as far as possible and park to one side or the other.**
- **Be prepared to shovel to get your car into or out of your driveway or garage.**
- **Do NOT park on the streets You will be towed.**
- **Leave an interior light on.**
- **Go grocery shopping first.**
- **Keep ALL obstacles out of your driveway when it is snowing.**
- **The timing of your driveway clearing may vary from day to day depending on conditions.**
